

RHYTHM

OF MACHINERY

SPECIALIZED MAGAZINE ABOUT
MANUFACTURING EQUIPMENT
REAL LOOK AT THE REAL
SECTOR ECONOMY

www.ritm-magazine.ru
+7 (499) 55-9999-8

- RHYTHM OF MACHINERY magazine is independent publication
- More than 18 years on the market
- Circulation of 10 000 copies
- 10 issues per year
- A4 format, full color

Our readers — manufacturers and users of industrial equipment

Title

- General and Technical Directors
- Chief engineers
- Main technologists

Leading specialists from

- Industrial Enterprises
- Engineering companies
- Research centers
- Higher education establishments

Area of distribution

**We were readed in Russian,
as well as in Europe countries, Asia and America**

The main distribution channels

- Paid subscription
- Target distribution of the magazine
- The most important industrial exhibitions, forums and conferences

Commercial advertising

The cost of accommodation you can find upon request to the Editor ritm@gardesmarsh.com
(499) 55-9999-8, (495) 256-80-86

**RHYTHM OF MACHINERY magazine is
information partner of all the exhibitions,
listed thematically**

Our competitive advantages

- ✓ Presentation of the magazine exhibitions in Russia and abroad
- ✓ Reviews of trends in the development of domestic and foreign machine manufacturing
 - Business practices
 - New technology and R&D
 - Modern financial instruments of the purchase of equipment
- ✓ Information on updates and zeitgeist trends in metalworking area
- ✓ Publication of conceptual, theoretical and practical and promotional items
- ✓ We are exploring the markets of the industrial equipment in various aspects by:
 - preports from enterprises of various forms property;
 - interview with Director General, Chief engineers and chief technology of enterprises;
 - regional reviews
- ✓ Engineering Breaking News
- ✓ The most significant exhibitions and other events
- ✓ Image advertising and articles of our partners
- ✓ The active position, initiative and readiness magazine staff to new developments

ISSUE PLAN 2022

№1, PUBLICATION DATE FEBRUARY

- **Metalloobrabotka.Welding** – <http://www.expoperm.ru/metal-ekb/> (Ekaterinburg, 15 – 18 March)
- **MashExpo Siberia** – <https://mashexpo-siberia.ru/> (Novosibirsk, 29 March – 1 April)
- **Photonics** – www.photonics-expo.ru (Moscow, 29 March – 1 April)

№2, PUBLICATION DATE MARCH

- **Metalworking. Welding and cutting. Corrosion protection** – www.minskexpo.com (Minsk, 5 – 8 April)
- **Uralpromexpo. Machines and tools** – www.bvkexpo.ru – (Ufa, 12 – 14 April)
- **St.Petersburg technical fair** – www.ptfair.ru (S. Petersburg, 26 – 28 April)
- **Conference «Innovations. Technology. Production»** – www.itp-forum.ru (Rybinsk, April)

№3, PUBLICATION DATE APRIL

- **Metalloobrabotka** – www.metobr-expo.ru (Moscow, 23 – 27 May)
- **Metallurgy. Tube. Aluminium** – <http://tube.metal-expo.ru> (Moscow, 7 – 9 June)
- **Metal construction** – www.mc-expo.ru (Moscow, 7 – 9 June)

№4, PUBLICATION DATE MAY

- **Metalloobrabotka** – www.metobr-expo.ru (Moscow, 23 – 27 May)
- **RosMould – moulds, dies** – www.rosmould.ru (Moscow, 7 – 9 June)
- **Conference Laser Optics ICLO-2022** – www.laseroptics.ru (S. Petersburg, 20 – 24 June)

№5, PUBLICATION DATE JULY

- **Innoprom** – <https://expo.innoprom.com/> (Ekaterinburg, 4 – 7 July)
- **Exhibition of Equipment, Materials and Technologies for Aviation, Aircraft Construction and Space ACTO** – <https://aktokazan.expokazan.ru/> (Kazan, 6–8 August)
- **International Military-Technical Forum «ARMY-2022»** – <http://www.rusarmyexpo.com/> – (Kubinka, August)
