

RHYTHM

OF MACHINERY

SPECIALIZED MAGAZINE
ABOUT
MANUFACTURING
EQUIPMENT

OUR COMPETITIVE ADVANTAGES

The magazine
«RHYTHM
of Mechanical
Engineering»
is member of
associations:

Stankoinstrument
Association

NSPOIM

RHYTHM of machinery
magazine is independent
publication
More than **20 years**
on the market
Circulation of **10 000 copies**
7 issues per year
Format **210x290 mm**,
full color

- ✓ The magazine is distributed at industrial exhibitions and conferences in Russia, by paid subscription for defense industry and military-industrial complex enterprises
- ✓ In each issue there are reviews of trends in the development of domestic and foreign mechanical engineering, new technologies. Information about new products and current trends in metalworking. Publication of conceptual, scientific, practical and implementation articles.
- ✓ We explore the industrial equipment markets in various aspects through:
 - reports from enterprises of various forms of ownership;
 - interviews with CEOs, chief engineers and chief technologists of enterprises;
 - regional reviews.
- ✓ The latest news of mechanical engineering.
- ✓ The most significant exhibitions and other events.
- ✓ Image advertising and articles by our partners.
- ✓ The active position, initiative and readiness of the magazine's staff for new achievements.

№ 1, PUBLICATION DATE FEBRUARY

- MashExpo Siberia — <https://mashexpo-siberia.ru/> (Novosibirsk, 3–6 March)
- Metallworking. Welding — <http://www.expoperm.ru/metal-ekb/> (Ekaterinburg, 12–15 March)
- Composit Expo — <http://www.composite-expo.ru/> (Moscow, 25–27 March)
- St.Petersburg technical fair — <http://www.ptfair.ru> (S. Petersburg, 26–28 March)
- Welding — <https://welding.expoforum.ru> (S. Petersburg, 26 – 28 March)
- Photonics — <http://www.photonics-expo.ru> (Moscow, 1–4 April)
- Conference «Innovations. Technology. Production» — <http://itp-forum.com> (Rybinsk, 17-18 April)
- Metalloobrabotka — <http://www.metobr-expo.ru> (Москва, 26–29 May)

№ 2, PUBLICATION DATE MARCH

- The territory of NDT. Non-destructive testing. Trials. Diagnostics — <https://expo.ronktd.ru/> (Moscow, 1–3 April)
- Conference «Innovations. Technology. Production» — <http://itp-forum.com> (Rybinsk, April)
- NEFTEGAZ — <https://www.neftegaz-expo.ru/> (Moscow, 14–17 April)
- ExpoElectronica — <https://expoelectronica.ru/> (Moscow, 15–17 April)
- RIMTOS — <https://rimtos.ru/> (Moscow, 12–16 May)
- Exhibition of Construction machinery and Technologies in Russia CTT Expo — <https://ctt-expo.ru/> (Moscow, 25–30 May)
- International Exhibition of Logistics, Transport, Warehouse Machinery and Equipment — <https://logistika-expo.ru> (Moscow, 27–30 May)
- Metalloobrabotka — <http://www.metobr-expo.ru> (Moscow, 26–29 May)
- The conference «Digital Industry of Industrial Russia (CIPR)» — <https://cipr.ru/> (Nizhniy Novgorod, 3-6 June)

№ 3, PUBLICATION DATE MAY

- Metalloobrabotka — <http://www.metobr-expo.ru> (Moscow, 26–29 May)
- Litmash — <https://metallurgy-russia.ru/> (Moscow, 3–5 June)
- Metallurgy. Tube. Aluminium — <https://www.mc-expo.ru> (Moscow, 3–5 June)
- RosMould — <http://www.rosmould.ru> (Moscow, 17–19 June)
- INNOPROM — <https://expo.innoprom.com/> (Ekaterinburg, 7–10 June)
- Aviasalon «MAKS» — <https://aviasalon.com/> (Zhukovskiy, June)

№ 4, PUBLICATION DATE JUNE

- International Military-Technical Forum «ARMY» — <http://www.rusarmyexpo.ru> — (Kubinka, August)
- Texnoprom — <https://форумтехнопром.рф/> (Novosibirsk, 27–30 August)
- RUSWELD — <https://rusweld-expo.ru> (Moscow, September)
- Mechanical engineering. Metallurgy. Metalworking — <https://promforum18.ru> (Izhevsk, 17–19 September)
- Heat treatment — <http://www.htexporus.ru> (Moscow, 16–18 September)
- Exhibition on the management of municipal, Industrial, Construction, Agricultural Waste, Recycling and Ecology of WesttEch — <https://waste-tech.ru/> (Moscow, 9–11 September)
- CeMAT Warehouse Equipment Exhibition — <https://www.cemat-russia.ru/> (Moscow, 16–18 September)
- Mechanical engineering. Metallurgy — <https://metal.expoperm.ru/> (Perm, 23–26 September)
- Industrial Salon — <https://prom-salon.ru/> (Samara, 24–26 September)
- The INDUSTRY CODE Conference — <https://promforum174.ru/> (Chelyabinsk, 2 October)
- Global Metalworking Forum «TEMP» — <https://vicoexpo.ru/expomach> (Kazan, 1–3 October)

№ 5, PUBLICATION DATE SEPTEMBER

- **Weldex/Rossvarka** — www.weldex.ru (Moscow, 7–10 October)
- **National Metalworking Forum NMF** — <https://nmf-expo.ru> (Moscow, 7–10 October)
- **Testing&Control** — <https://www.testing-control.ru/ru-RU> (Moscow, 21–23 October)
- **PCV** — <https://www.pcvexpo.ru/ru-RU> (Moscow, 21–23 October)
- **ExpoCoating** — www.expo coating-moscow.ru (Moscow, 21–23 October)
- **MFD International Engine Building Forum** — <https://mfd-assad.ru/> (Moscow, October)
- **All-Russian Forum on Engines and Power Plants named after N.D. Kuznetsov** — <https://engineforum.ssau.ru/> (Samara, October)
- **Forum of Robots and Robotics Digital Innopolis Days & Conference on Artificial Intelligence Innopolis AI Conference** — <https://digitalinnopolisdays.ru/> (Kazan, October)
- **INRUSSIA** — The main platform for presenting the opportunities of Russia's industrial infrastructure to the international business community — <https://inrussiaforum.ru/> (Mineral Waters, October)
- **Texnoforum** — www.technoforum-expo.ru (Moscow, 5–7 November)
- **Russian Industrial Forum** — www.bvkexpo.ru — (Ufa, 12–14 November)
- **Business Conference of Metalworking Industries and Machine Tool Builders** — <https://kmops.tb.ru/> (Chelyabinsk, 19–21 November)
- **Samara Engineering Forum «Protechnologies-2025»** — <https://technet-63.ru/> (Samara, November)

№ 6, PUBLICATION DATE NOVEMBER

- **Metall Expo** — www.metal-expo.ru (S. Petersburg, 11–14 November)
- **Tool Exhibition «Mitex»** — <https://mitexpo.ru/> — (Moscow, 11–14 November)
- **Forum-exhibition of new materials and technologies in various industries «AMTEXPO»** — <https://www.amtexpo.ru/> (Moscow, November)
- **Metalworking and welding** — www.krasfair.ru (Krasnoyarsk, 19-21 November)
- **Russian industrialist** — <https://promexpo.expoforum.ru/ru/> (S. Petersburg, November)
- **Conference «Electron beam welding and related technologies»** — <https://ebw.mpei.ru/> (Tomsk, November)
- **ToolMash** — <https://toolmash.ru/ru/> (Moscow, 2–5 December)
- **Russian Robotics Week + Industrial Robotics Forum** — <https://roboticsweek.ru/> (S. Petersburg, November)
-

№ 7, PUBLICATION DATE DECEMBER

Специальный выпуск «НАШ 2025»: итоги года, опросы о тенденциях развития и планах, анонсы новой продукции и событий, опыт внедрения оборудования и технологий, успешные кейсы, рубрика «Это нужно каждому предприятию» в визитках и др.

- **Photonics** — www.photonics-expo.ru (Moscow, 2026 г.)
- **Metalloobrabotka** — www.metobr-expo.ru (Moscow, май 2026 г.)
- **RosMould** — www.ros mould.ru (Moscow, июнь 2026 г.)
- **Metallurgy. Tube. Aluminium** — <https://www.mc-expo.ru/> (Moscow, июнь 2026 г.)

The magazine will also be distributed by subscription and at partner events.
